## REFERENCES

References should be listed separately at the back of the paper and numbered sequentially to match the notes within the text. Type each reference note in the paper using brackets, e.g. [2]. Please remember that every note in the text should have a corresponding note in the reference list. Type the reference list in the following manner:

1. Author's Last Name, First Name/Initial. *Title of Book* (italicized), Publisher's Name, Year of Publication, pp. 222-233.
2. Author's Last Name, First Name or Initial, and Second Author's First Name, Last Name. "Title of Article (in quotes)." *Name of Journal* (italicized). Publisher's Name, Month and Year, pp. 23-26.

## ABOUT THE AUTHORS

Pictures and bio's go here. Include up to a 100 word short bio of each author. Photo size is 1" × 1", larger or smaller as needed.

## ADDITIONAL INFORMATION

Page size is 8" × 10".

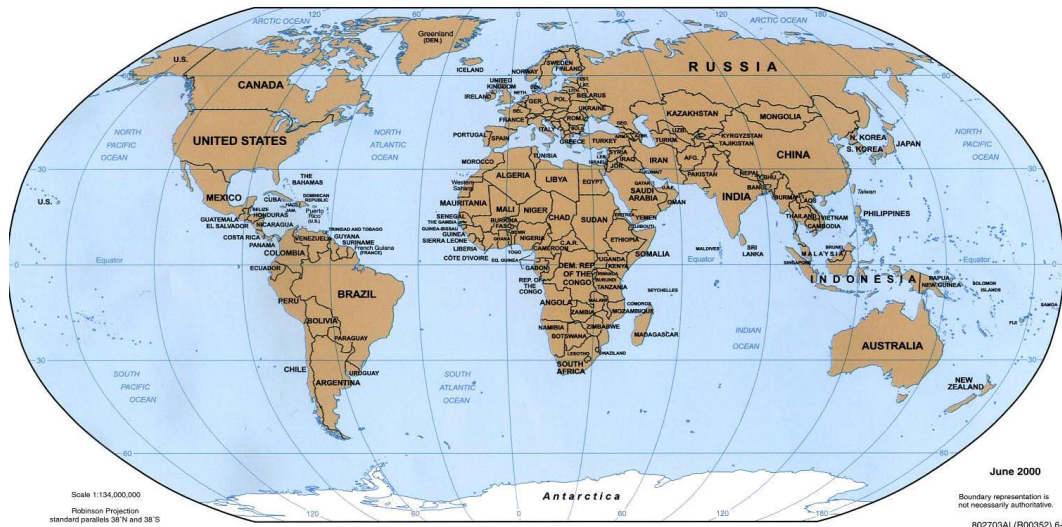

Margins are 1" top, bottom, left, and right, with a ½" inside gutter.

Note that the first page header has the Autosoft Logo (it may or may not show up on screen). It will print to a postscript printer. The first page also has a page number in the footer in 8 point Times New Roman.

Second (even pages) page header has an even page number on the left and "Intelligent Automation and Soft Computing" in 8 point italics on the right.

Third (odd pages) page header has the odd page number on the right and the **title of the article** on the left in 8 point italics. Title of the paper should go in the odd page header automatically from the style "Title."

Figure captions are flush left, 9 point Arial (Helvetica/Univers) bold, even if they run multiple lines.

**Figure 1. Map of the World**

Tables are numbered and called out as Table I, Table II, Table III, etc. Table titles are 9 point Arial (Helvetica/Univers) bold as shown below:

**Table I. Cabinet velocities and floor passing times**
